

A New Era of PROSPERITY

Judge Gary recently said, "Never before in the history of the world has any country had such an opportunity for advancement as the United States possesses at this time."

We have been getting ready for greater prosperity by enlarging and remodeling our building. Why not get ready yourself by starting an account?

Ordination services were held Tuesday evening at the Baptist church, Dr. O. C. Wright, convention secretary, presiding. J. C. Orr, the new pastor here, was ordained. Pastors and church people were present from Eugene, Springfield and other points. A supper was served.

The Oil Situation. Ten days before the gas explosion of last Sunday in the Eugene oil well, I was assured by officials of the Guaranty Oil Co. that they were daily expecting it to occur, which it did, accompanied by unquestionable evidence of the presence of both oil and gas; every movement at the well is now being made with caution to avoid complicated mistakes. A limited amount only of additional funds is needed to prosecute development work, and I am instructed to only sell stock to present stockholders, who have helped along the work up to this time, and whose efforts are thus appreciated. Those considering additional investment should see or phone me at 121-B at once. a23c TOM AWBREY.
