U. S. and C. T. C. TIRES

You should get busy and buy your tires now, as rubber has advanced 20 cents per pound the last few days. Raw rubber is now worth 62 cents per pound and none on the market. All indications point to a heavy advance in price of tubes and tires in the very near future. We have the largest and most complete stock in the city.

All sizes from 30x3 up to 36x6 and prices from \$7.25 up.

Why not call now and let us equip your car with a set of new cords or balloon tires?

No advance in price while our present stock lasts.
