It pays to get the miles out of "Red Crown" that the Standard Oil Company's years of gasoline-making experience have put in it.

Red Crown is simply crowded with miles—see the records below that this year's trophy winners made in the big annual Los Angeles-Yosemite Economy Run. They prove it!

## Buy Tubes as Carefully as you buy Tires

THERE are two ways a car owner can buy tubes. He can go out looking for price—and get it. Or he can buy tubes that will give his casings a chance to deliver the mileage that is built into them. U. S. Royal and Grey Tubes are built to give mileage and get mileage. They resist heat, hold their shape and retain their elasticity. To get all the mileage out of a new casing or to make an old casing last—put a U. S. Royal or Grey Tube inside it.
