Tell the World

You're Proud to Live in Cottage Grove

Surely, you have all the reason in the world to be thankful you live in Cottage Grove. Your commercial interests are here. Your social interests are here. Your prospects here are far more promising than they would be anywhere else. Nary a cloud hovers on the horizon of your future. Could things look any brighter?

Compare Cottage Grove with New York, Chicago, or any of the larger centers of the country. There it is—"Everybody for himself. Get what you can and the best o' luck." It's hustle, hustle every minute with never a thought or a kind deed for a neighbor's welfare.

How different the spirit is here. Your neighbor's interests are your own. He thinks—"What can I do to please others? What can I do to help improve the town, help it grow and make it a better place in which to live?" Your thoughts are the same. And through your actions and his actions, Cottage Grove has become the best place in the world.

Population doesn't make a great community. It's the spirit of those who live in it.

So, do a little "Oral Boosting." Tell the world you're mighty happy to be here.

We, the undersigned professional and business interests, are doing our share by advertising the fact.

Do yours, by "WORD OF MOUTH."
