Wherever You Live—Oil Cookstoves Are "City Easy"

If you want a cool kitchen in summer, an all-round, year-round cookstove with no fires to tend—use a good oil-cookstove. It will help solve your cooking problem by making your cooking "city easy"! No mussy fires to tend—no fuel or ashes to lug—simple—noiseless—safe!

But be sure to use Pearl Oil—for Pearl Oil is more than "just kerosene". It is refined and re-refined by our special process so it won't corrode cookstoves or heaters; it will give you nothing but absolutely odorless, intense flame that's all heat!
