

A PUBLIC CHIME CLOCK FOR COTTAGE GROVE

In front of its modern banking home, the Bank of Cottage Grove has placed a fine large chime clock for the benefit of the public.

It is of sufficient size to be seen from a considerable distance and the chimes which ring every fifteen minutes will acquaint all within hearing distance with the time of day.

This adds one more to the many modern facilities placed at the disposal of the public by this institution.

Lloyd Liston is in Eugene today on business.

What Mary and John Said—

"John, where did you get that bread?" a housewife asked her hubby one morning at the breakfast table. "It makes such fine toast. I suppose it must be some of that krenkrust from that Portland bakery."

"Why, no," replied John. "To tell the truth, I stopped in at the Electric Bakery and got some of their Faultless Bread."

Will was telling me at the store that we were getting quite a little business from these people and I thought to myself that if they didn't sell their products to home people, pretty soon they wouldn't be able to buy anything from us. It seemed to me to be a business proposition to support an industry which spends its money with us."

The Cottage Grove Electric Bakery

G. A. Sanders, Prop.
