Does Your Money Come Back to You?

When you spend your money out of town, when you patronize stores in other cities, or buy from mail order houses, your money never comes back. Money spent away will never be used for the betterment of your home town.

Money spent here stays here—it circulates and is used for you. The profits of our merchants are spent here.

Are you sending your money away where it—or the good it may do—will never come back? Keep your money where it will work for you.

Theater News

"The Air Mail" Coming Aug. 28.

The once little thought of air mail, now pioneering the way in commercial aviation and demonstrating that it is practicable to operate cargo carrying planes on schedule time over vast distances, day and night, winter and summer, becomes a screen thriller at the Arcade theater August 28 in Paramount's "The Air Mail," produced by Irvin Willat from the original screen story by Byron Morgan, who wrote "Code of the Sea" and others.

Warner Baxter, Billie Dove, Mary Brian and Douglas Fairbanks Jr. have featured roles in the production, adapted for the screen by James Shelley Hamilton.

It is difficult to imagine anything more fascinating or thrilling than the pictured flights of the fearless air mail men as they "carry on" in all kinds of weather to bring the mail through on schedule time—some even going so far as to give their lives in the service.

The picture has to do with Warner Baxter, in the role of Russ Kane, master-mind crook who becomes a mail pilot to rob the planes and winds up by routing his former cronies and marrying a beautiful girl.

Scenes of the picture take place at Sacramento and Reno, two big stations along the air route and in a "deserted city" where Billie Dove and her father, victims of a poor real estate deal, live. Kane is forced down near Millie's home during a storm. He meets her, and from then on they are the very best of friends.

Later, Kane is "wined" by two bandit planes and vol-planes to earth on the desert where with Billie Dove and Fairbanks Jr. he

gives the crooks the fight of their lives. The picture comes to a close with the arrival of the sheriff's posse and capture of the thieves.

Playing in support of the leading players are George Irving, Guy Oliver, Dick Tucker, Lee Shumway and others.
