Look Out for Self Poisoning

Neglect of the liver results in self-poisoning! Not so quickly, perhaps, but just as surely as if you drank poison out of a bottle. If your liver is not doing its work of helping digestion, eliminating waste from the bowels and purifying the blood, you will always be troubled with sick headaches, nausea, biliousness, bad breath, gas, sour stomach, or constipation.
 Cleanse and tone your liver! Put your system in condition so you feel your very best again! Try just a spoonful of Dr. H. S. Thacher's excellent Liver and Blood Syrup after the next few meals and notice the quick improvement in the way you eat, sleep, look and feel—the return of strength, vigor and energy. You will be completely satisfied; otherwise there will be no cost. Dr. Thacher's Liver and Blood Syrup is sold and recommended by Kem's for Drugs and all other leading druggists.
 Did you know that all diseases of the eyes are curable without the aid of glasses or operation? Dr. Hagen.
