OUR SIPPING OFFICIALS.

The Baker incident may have been a frameup on Senator Stanfield, as he claims it was, but we very much doubt that Governor Pierce had anything to do with it.

A telegram from Washington, inspired by the Baker incident, stated that the "dry" forces had always counted upon the Stanfield vote, that Stanfield had always voted dry but with the reservation that he might himself take a "nip" when the occasion was auspicious and the liquor present.

E. J. Adams, Lane county man and secretary to Stanfield, recently made an address in which he pleaded for observance of statutory law, including the prohibition law. It is certain that he would not have done this without the approval of Stanfield, so here we have the peculiar situation of a senator and his private secretary boosting and voting for prohibition, while the senator is charged with violating the law.

A thing like this is easily possible in politics.

The fact that the arrest of a United States senator upon a charge of disorderly conduct may result in his defeat at the approaching primaries is not to our mind the serious feature of the incident.

The serious feature is that a member of our highest law making body should be charged with open violation of a law which he approved and helped to make. What are our growing men and women to make of this?

And Senator Stanfield, if he be guilty, does not stand alone. He just happened to get caught—perchance through the cunning of a political enemy. Other senators and congressmen, many of them, lift to their lips the cup that intoxicates.

Members of our legislatures do likewise.

Some of the judges that interpret the law do likewise. We trust that no judge has sent his own bootlegger to jail.

Many law enforcement officials drink the stuff for the making of which they put men in jail.

Our prohibition laws are a hollow mockery when those who make them, those who enforce them encourage by their drinking the breaking of the laws which they make, interpret and enforce. They can be nothing else until there is a different attitude towards the eighteenth amendment for which two-thirds of the people voted and which about one-third of the people observe.

A New York inventor is now able to send wireless waves through a man's head and cause an electric bulb on the other side to glow. If the waves should be sent through the head of some men we have heard talk the light produced would be a lurid blue.

Eleven marriage licenses were issued in Klamath county during August. During the same period 12 divorces were granted. If the ratio continues, Klamath county will have no need to fear overcrowding of the primary grades of its schools.

Nine suits for divorce filed in Lane county in one week. Pretty soon we may expect mail order houses to send out wives and hus-

bands on 10 days' free trial, the same as they now send traveling bags, neckties and pajamas.

A Salem man has coughed up a pen point which he had been carrying around for 20 years. Wonder whether during that time he inscribed pretty sentiments in his heart!

Society

Mr. and Mrs. A. W. Hellwell entertained a number of friends at dinner Thursday evening, the occasion being their eleventh wedding anniversary. Mr. and Mrs. Gavin Dyott were guests of honor, the same date being their wedding anniversary. Lavender was the decorative color used in the home, asters of that color and soft shaded candles adding to the attractiveness of the table. The evening was spent in five hundred and social conversation. Guests were Mr. and Mrs. G. C. Dyott, Mr. and Mrs. Roy Short, Mr. and Mrs. C. J. Kem, Mr. and Mrs. H. W. Titus and Mr. and Mrs. S. S. Lasswell.

The Mizpah class of the Presbyterian Sunday school met in the church parlors Thursday evening. As this was the first meeting of the season class programs and work for the coming year were outlined. A social hour followed the business meeting and dainty refreshments were served. The hostesses were Miss Esther Silsby, Mrs. F. E. Mendonhall, Miss Stella Adams and Mrs. O. W. Blackmore. About 40 were present.

Mrs. C. E. Frost, Mrs. C. C. Cruson and Mrs. George Matthews were hostesses Thursday afternoon in the Masonic lodge rooms at the Constellation club at the first meeting of the season following the summer vacation. Twenty-eight members were present. A two-course luncheon was served following the social hour. Brilliant hued dahlias were used in the decoration of the rooms.

Mrs. C. E. Frost was hostess to the Joker club Friday evening at their first meeting of the season. A dainty luncheon was served following an evening of five hundred. Asters and cosmos adorned the living room and a centerpiece of marigolds decorated the luncheon table. Mrs. J. P. Graham was an invited guest.

The Keepers of the Den met Thursday at hotel Bartell for their first weekly luncheon. Officers were to have been elected, but owing to the absence of several members election was postponed until the next meeting.

The meeting of the Past Matrons' club, which was postponed today, will be held next Monday at the home of Mrs. H. H. Veatch.

The ladies' aid society of the Methodist church will meet Wednesday afternoon in the church parlors.

Mrs. O. W. Hays will be hostess to the Utopia club at its next meeting Thursday afternoon.

The Tuesday bridge club will meet tomorrow afternoon with Mrs. W. H. Daugherty.

Delight Valley Society. Social Neighbors were entertained Wednesday afternoon by Mrs. Oval Powell. Dainty refreshments were served to about 20. The next meeting will be held October 7 at the home of Mrs. E. J. Kent, at which time election of officers will be held.

CARS DAMAGED IN TWO STREET CRASHES

Garouite Sedan Struck By Tourist; Occupants Are Uninjured.

Two automobile accidents occurred Saturday, damaging cars but not injuring occupants in either case.

A small car driven by Ray Hamlin, of North Bend, collided at noon with the large sedan of Frank Garouite at the corner of Quincy avenue and Fifth street, which becomes the Pacific highway at this point. The sedan, driven by Galen Garouite, son of Frank Garouite, was crossing Fifth street at the intersection when it was struck by the smaller car, traveling in the highway. The front of the small car was badly damaged and a fender and door of the sedan smashed.

A car driven by A. F. Barkley, Lebanon, collided with a car driven by Mrs. W. E. Ogden, Cottage Grove, at the corner of Eighth and Main streets at about three o'clock. Neither car was greatly damaged.

Chief of Game Department: Visits. F. M. Brown, chief deputy game warden, was in the city Saturday. He had been looking after game violations in the southern part of the state that had been reported by local wardens. About 20 fines were imposed by courts before whom he took violators. He did not report any arrests here.

Lions Committee to Act. A committee consisting of R. L. Stewart, chairman, L. W. Peters and H. W. Lombard was appointed at

the meeting of the Lions club Thursday to cooperate with the committee of the chamber of commerce regarding a proposed hospital for Cottage Grove. The committee which has charge of plans to erect pillars at the entrances to the city was given power to act.

Pear Picking Under Way.

Workers are busy picking the crop of Anjou pears in the Lorane district and it is estimated that 12 carloads will be shipped from

Cottage Grove : Oregon

Do the ESKIMOS HIBERNATE SIX MONTHS of the YEAR?

HERODOTUS, the ancient geographer and historian, thought so. We moderna know better, but some of us are still superstitious. For example, why do some people still believe that there is something mysteriously "better" about "eastern" motor oils merely because they cost more and are made in the east?

Oil Superstition Fast Losing Ground

Zerolene costs less because it's made in the West—but that doesn't make it better; it's better because in practice it actually lubricates better. That's why Zerolene is successfully lubricating more cars in the Pacific Coast states—high priced and low—than any other oil made.

Zerolene will increase the gasoline mileage, reduce the carbon removal operations and maintenance costs and lengthen the life of any car in which it is used.

Made from Selected Naphthenic Crude

Zerolene will do the same for your car. It is made from selected western naphthenic base crude (the best crude so far discovered for the manufacture of motor lubricants) by our high-vacuum process, checked 15 times for quality, and specially filtered through 40 tons of Florida Fuller's Earth to give you an oil that's absolutely pure and safe.

Why pay tribute to a superstition? Insist on Zerolene always ask for ZEROLENE by name.

Get the Facts!

A series of independent and impartial reports showing the experience of large users with Zerolene motor oil has been collected in our booklet, "Why Pay Tribute to a Superstition?" Ask any Standard Oil Company representative or Zerolene dealer for a copy.

Insist on Zerolene—even if it does cost less
