Back Lame and Achy?

The Advice of This Cottage Grove Resident Should Help You To Get Well.

Do you suffer nagging backache? Feel dizzy, nervous and depressed? Are the kidney secretions irregular; breaking your rest? Likely your kidneys are at fault. Weak kidneys give warning. You have backache; rheumatic twinges. You feel weak, tired, all worn-out.

Heed the warning. Don't delay! Use Doan's Pills—a stimulant diuretic to the kidneys. Your neighbors recommend Doan's.

Here is a Cottage Grove case: J. H. Baker, proprietor of blacksmith shop, Pacific highway, says: "I have used Doan's Pills with benefit and am glad to endorse them. I was troubled with attacks of kidney trouble and my back was weak and lame. My kidneys annoyed me, too, by acting irregularly. Doan's Pills have always helped me when I used them, strengthening my back and kidneys."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. Baker had. Foster-Melburn Co., Mfrs., Buffalo, N. Y. s28-o5

Prunes left in Oregon orchards and now covered with brown rot should be hogged off in the fall or plowed under early in March through the blossoming period.

says H. P. Bars, plant pathologist. This disturbs and breaks off the cup stage and prevents production of spores. The prune mummies formed this fall will not produce spores till the spring of 1926. Early plowing should be practiced in all orchards where brown rot was present a year ago.

"She's better than she used to be"

"—starts easier, climbs hills better and gives less trouble all around. And I believe the answer is this new Zerolene 'F' for Fords I've been using. It costs less than the oil I'd been using, but it actually seems to lubricate better."

Zerolene "F" for Fords gets to all the parts requiring lubrication—especially the wrist-pin bearings and upper half of the cylinder walls.

Zerolene "F" for Fords is made by the Standard Oil Company's patented vacuum process. It deposits a minimum of carbon, and because it lubricates better it enables the engine to develop a noticeable increase of power over and above what Ford owners have been accustomed to expect.

A Ford is an A-1 transportation investment. Protect your investment by proper lubrication.
