Combining Business With Pleasure

Attending the 15th annual Pacific International Livestock Exposition at Portland, October 31, to November 7. It is a trip that will pay big dividends both in education and enjoyment.

Here, mingling with the most noted and successful breeders of the country and seeing the largest combined exhibit of livestock ever assembled under one roof in America, you can gain new ideas which can profitably be put into operation. There's also the Land and Industrial Exhibits and the spectacular Horse Show, so thrilling you'll want to attend every performance.

The First National bank urges every farmer to go. Attending will bring better breeding methods and hence more prosperity to this section, which is the goal all of us are striving to reach. You may be sure we will cooperate with you in building more profitable herds.
