Carl Witte was taken to Eugene this afternoon for an operation for appendicitis.

TRUCK IS WRECKED IN DESCENT OF OIL HILL

A truck belonging to the Chestnut Transfer company was partially wrecked Saturday when it skidded and tipped over on the road leading down from the Guaranty Oil company's well. Claude Sherman and Ralph Chestnut, who were riding in the truck, escaped injury.

The truck had been loaded with machinery and tools which were to be taken to Eugene. The chains failed to hold on the slippery hill. Chestnut jumped, enabling the driver, Claude Sherman, to escape from under the wheel where he would have been pinned and probably seriously injured.

The cab of the truck was smashed, the steering wheel broken, the windshield shattered and other damage done.

Burroughs ledger sheets of all sizes. Get them at your home print shop.

Restoring Soiled Table

Heat stains may be removed from highly polished table by applying the following in their respective order, using a separate cloth for each: Kerosene, alcohol and sweet or linseed oil. The last should be well rubbed in until the spot no longer shows. Frequently a cloth moistened with warm camphorated oil will remove the stain. If these methods fail, probably the table will have to be refinished.

Leading to Success

We are told that constant dropping of water will wear away stones. So will continuous endeavor overcome obstacles to any worth-while undertaking. Persistent adherence to right purpose creates a "successful life" in the best meaning of that term.—Grit.

This Seems Logical

He that is of opinion money will do everything may well be suspected of doing everything for money.—Benjamin Franklin.

Trace Term "Mugwump" to Algonquin Indians

The first general use of the term "mugwump," as applied to a deserter from a political party, was during the Presidential campaign of 1864.

On June 15 of that year a newspaper in New York referred to the independent Republicans who had deserted Blaine as "mugwumps," and the word was immediately taken up all over the United States as a fit appellation for the disaffected Republicans calling themselves "Independents."

The word is supposed to be of Algonquin origin and was used by the Connecticut Indians as a synonym for captain, leader or superior person. In the modern political meaning it is applied satirically to those who consider themselves superior to their former partisan associates.

The word was incorporated into the American language long before it obtained its modern political significance, being often used in New England and the Middle West as a synonym for dude, pharisee, etc.—Chicago Journal.

The Only Way

"I was only acting the part of peace-maker." Magistrate—But you knocked the man senseless! Prisoner—I did. There was no other way to get peace.

First Aid Demonstration Given.

The safety committee of the Mountain States Power company, under the leadership of E. A. Taylor of Corvallis, gave a public demonstration Friday night in Phillips hall of various first aid methods. Taylor was assisted in the demonstration by Tom Graham, fire chief of Corvallis, and several members of his fire company. Demonstrations of methods of resuscitation from electric shock and drowning formed the principal part of the exhibition.

CARD OF THANKS.

We wish to thank those who so willingly assisted us at the time of our recent bereavement and who deeply appreciate the flowers sent and sympathy shown at the death of John Keller.

Mr. and Mrs. JOHN GRAHAM,
JAMES KELLER. j25c
