

"WHERE THERE'S A WILL, THERE'S A WAY"

Is an old and a very true saying, and in nothing does it apply with more force than in the matter of saving money. Everyone should save some part of his earnings, as it is not what one earns but what he saves that makes wealth. Start a savings account this month with

VIRGIL GOWDY ESCAPES NEAR SERIOUS ACCIDENT

Virgil Gowdy had a narrow escape from serious injury Saturday when his clothing caught in a roller at the Anderson & Middleton mill at Latham. He was able to brace himself to keep from being drawn into the cogs until the power could be shut off. His clothing was torn and he sustained a severe strain but was not otherwise injured.

The accident happened when he stepped close to the roller to replace a belt. His foot slipped and he fell against the machinery. The cover of the roller had been temporarily removed so that his clothing caught easily in the exposed machinery.
