ARCADE Theatre WEEKLY PROGRAM

Thursday, June 10 "STELLA MARIS" with Mary Philbin. One of the best with this little star.

Friday, June 11 "WYOMING WILD CAT" with Tom Tyler. At last a western photoplay that really has something to say.

Saturday, June 12 "THE SAP" with Kenneth Harlan. It's not often you get to see a picture so human, so funny, so piercingly true as this story of the war "hero" that everybody picked on.

Sun-Mon., June 13-14 Mary Pickford in "LITTLE ANNY ROONEY." As Little Anny Rooney, her wonderful curls of gold are flung free as she romps through a story so splendidly heart compelling that the tears of sympathy are driven away by swift wrinkles of laughter.

Tuesday, June 15 "THE SHOCK PUNCH" with Richard Dix. Other big names appearing in the cast are: Theodore Babcock, Percy Moore and Jack Scannell.

Wednesday, June 16 "FIGHTING THE FLAMES" with William Haines and Dorothy Devore. A picture that you will be more than glad you saw. Clean, fast action. You can take the whole family without hesitation.

Thursday, June 17 "LOOKING FOR TROUBLE" with Jack Hoxie. When he got on a horse his name was Glue and when he got off they called him Dempsey.

Cornutt, Miss Genevieve Johnson, Miss Ruby Lee and Miss Donna Nichols. Dorothy Perkins roses were effective decorations. The evening was spent with music. Miss Bosley will leave Friday for Medford to visit with a friend and will leave there Saturday for Palo Alto.

Mrs. A. W. Halliwell, Mrs. Ray Baker, Mrs. Rosa Curran, Mrs. E. C. Shay and Mrs. George McQueen were hostesses Wednesday afternoon in the church parlors to the ladies' aid society of the Presbyterian church. A short business meeting was held, after which the afternoon was spent with games. A word contest was held in which Miss Esther Silsby and Mrs. Charles Adams held high score.

The LaComus club held its annual picnic Wednesday at the Cedar creek bridge. Children of members were guests. The afternoon was spent with swimming and needlework. Mrs. Roy Romaine of Salem and Mrs. Long of Portland motored out in the afternoon. A picnic lunch was served. The committee in charge were Mrs. A. W. Kime, Mrs. T. C. Wheeler and Mrs. W. W. McFarland.

Mrs. Vinal Randall entertained members of the American Legion auxiliary with a children's party Wednesday evening at her home. Guests came dressed as children and the evening was spent with children's games. Bouquets of sweetpeas, marigolds and pansies were the decorations. Refreshments of all-day suckers, pink lemonade and cookies were served.

Mrs. C. C. Cruson entertained Tuesday with a 9 o'clock breakfast for the M. P. G. club. Mrs. Jennie W. Nichols of San Francisco, mother-in-law of Mrs. O. L. Nichols, was an additional guest. Sweetpeas in pastel shades were artistic decorations. Following the breakfast, the guests enjoyed a "theater party" at the movie set.

The Constellation club will hold its annual picnic this afternoon at the oak grove near the Latham school house. The immediate families of the members are guests and husbands will join the group at the supper hour.

The Latham club will meet at 2 o'clock Friday afternoon in the Latham school house. Mrs. Clyde Wright of Creswell will give an address. All women of the district have been invited to be present.

The Keepers of the Den held a covered dish luncheon this afternoon at the city park for members of the Lions club.

The women's relief corps will meet in regular session Saturday afternoon in I. O. O. F. hall.

The W. C. T. U. will meet at 2:30 Friday afternoon at the home of Mrs. L. McAbey.

Un-Reel. "I love me, Jimmy!" "Wild about you, honey." "Honest, Jimmy!" "Sure, honey; why?" "Then why doesn't your chest go up and down like the men in the movies?" - Wittenberg Wit.

Always Give the Home Print Shop the First Chance

Had the Wrong Edible An Englishman, on his first visit to Boston, was having breakfast at the Parker house. Of course, he asked the waiter to bring him "some of those Parker house rolls that we hear so much about, and the usual Sunday morning breakfast." In due course the meal was set before him, and he speedily seized one of the little brown delicacies and took a good bite. Unable to swallow the mouthful, he removed the contents with much embarrassment and as little ostentation as possible. Summoning the waiter, he confided that something untoward had happened to the roll. Whereupon the waiter exclaimed: "Why, sir, that's not a Parker house roll; it's a codfish cake."

Land Given Prince's Name The name "Rupert's Land" formerly was applied somewhat loosely to the Canadian Northwest, and more especially to the land surrounding Hudson bay. This extensive region, the boundaries of which were not determined until the dominion was organized in 1870, was named in honor of Prince Rupert, the first governor of the Hudson's Bay company. This territory was granted to the company by Charles II of England and was only surrendered by the company in 1869, when the title was transferred to Great Britain. In 1870 title was formally transferred to the new Dominion of Canada. As a part of Canada the Northwest was originally called "Rupert's Land," and the Northwest territory.

Importance of Pictures A room without pictures is irritating for two important reasons: The first is that it brings the eye to a stop at each of the four walls, which makes one feel unpleasantly crowded in. The second is that the room is unbalanced, since the floor has all the furniture and decoration, and the walls give the effect of lighthoodness. Decoratively, it is just as important to have the upper part of the room interesting as the lower part. No one wants to look constantly at the floor for inspiration! The tendency, indeed, is to look at the eye level, and if there is nothing but blank wall, the effect is disconcerting and foolish, and there is less of good opportunity to see something infinitely worthwhile.

Value of Friends Have you a friend whose loyalty you would not question, who always seems to understand, who does not expect more of you than you know your capacity to be, who is interested when you are pleased, or sympathetic when you are sad, who shows you that he values your good will more than he does the dollar in your pocket? Have you? Think twice before you answer, and if you have, stay by him, stick to him, and if ever need be give him the shirt off your back, even if it's the last one in your own wardrobe. A good friend and true is a God-given asset in this day of dollar-chasing commercialism. - Chilton (Ala.) County News.

GUM-DIPPING the Extra Process for Extra Miles! Breaks all Tire Records

The 500 Mile Speed Classic at Indianapolis has always been a Battle of Tires. In 1911, Firestone won with fabric tires at 74.59 miles per hour. In 1920, Firestone won with cord tires at 88.55 miles per hour. In 1925, Firestone won with Full-Size Gum-Dipped Balloons at the record breaking average speed of 101.13 miles per hour.

The Firestone Record in Battle of Tires at Indianapolis. Table with columns: Year, Driver, Car, Tires, Miles Per Hour. Rows include 1911 Harron Marmont Firestone 74.59, 1912 Dawson National Michelin 78.70, 1913 Gowen Pentagon Firestone 79.27, 1914 Thomas DeLage Paine 82.47, 1915 DePalma Mercedes Goodrich 89.84, 1916 Rosta Peugeot Goodrich 83.26, 1917 No Race, 1918 World War, 1919 Wilcox Peugeot Goodrich 68.06, 1920 Chevrolet Moore Firestone 88.55, 1921 Milton Frontmac Firestone 89.62, 1922 Murphy Murphy Sp. (Firestone) Full-Size (Balloons) 93.88.

This performance is even more remarkable when you consider the terrific speeds at which the cars traveled over this fifteen-year-old, rough brick track. Experienced race drivers will not risk their lives or chances of victory on any other tires. And in the commercial field, large truck, motorbus and taxicab fleet operators, who keep careful cost records are among the big users of Firestone Gum-Dipped Tires. The City Transportation Co., of Tacoma, Wash., writes: "One of our 12 buses on Firestone Gum-Dipped Tires has gone over 40,600 miles and still looks good for many miles of extra service for all around tire safety and mileage, Firestone cannot be beat."

From Calumet Motor Coach Co., Hammond, Ind., the following: "We operate 40 buses all equipped with Gum-Dipped Tires. The very low cost per mile on which these tires operate is considerably less than that of any other make." Hayes Bus Lines, Columbia, S. C., say: "We operate 19 buses equipped with Firestone Gum-Dipped Tires. A number of these tires have run over 45,000 miles without ever having been removed from the rim." The largest taxicab companies in the world standardize on Firestone Gum-Dipped Tires. W. R. Rothwell, taxicab operator, Detroit, Mich., writes: "Two of my Firestone Gum-Dipped Tires have run 76,000 miles."

Hundreds of thousands of car owners voluntarily testify to the safety, comfort and economy of Full-Size Gum Dipped Balloons. W. H. Peacock, Birmingham, Ala., testifies: "I have had Firestone Balloons for thirteen months and they have delivered in that time 24,469 miles." H. C. Staehle, Minneapolis, Minn., says: "My Firestone Balloons have gone 49,900 miles and are still in good condition." These records of endurance, speed, safety and mileage could only have been made because of Firestone development of the Gum-Dipping process which insulates and saturates every fiber of every cord with rubber, reducing friction and heat and building greater strength and endurance in the cords—assuring you at all times— MOST MILES PER DOLLAR
