"where savings are greatest,"

Of Course, This Store Is Where Savings Are Greatest

When it comes to talking about Quality of goods, we would just like to say that Quality for Quality and Dollar for Dollar you will find it extremely difficult to get more for your money elsewhere.

In making this statement in this positive way we want to go a step beyond: Please do this: MAKE YOUR OWN COMPARISONS OF THE QUALITY OF OUR GOODS WITH THAT OFFERED ELSEWHERE.

We have no particular store in mind. Go where you will, in or out of town. We do not claim to be performing miracles in business and such things as exaggerated claims are not within what we regard as good business ethics.

However, our 24 years of extensive operations, the quantity of goods required by our 676 Stores, and our unexcelled buying position in the field of production, make of each one of our stores, including this Store, undeniably the place "where savings are greatest."

New lower prices give you savings of \$50 to \$200 on world-famed Chrysler Six

Two and one-half years ago, the Chrysler "70" revolutionized six-cylinder performance, comfort, style and value.

For two and one-half years, emulation and imitation have failed to keep pace with Chrysler engineering supremacy, Chrysler Compactness and roominess, Chrysler dynamic symmetry and Chrysler enduring quality.

In no way has the Chrysler "70" been changed—except in price.

In performance, quality, comfort, style, equipment, design, materials and workmanship in both body and chassis, it is the identical car which has won such universal preference and admiration.

Unequaled, unapproached, it is today offered you at savings of \$50 to \$200—establishing it even more emphatically as the world's one outstanding motor car value in its class.

Everywhere you hear the name Chrysler, everywhere you see motor car buyers turning more and more to Chrysler, everywhere you hear motor car experience more emphatically acclaiming Chrysler performance, endurance and long life—and now, all of the best for which the name Chrysler stands is offered you at sensational new lower prices which make it the outstanding value of all time.
