200 Per Cent American.

Senator Norris told his colleagues a story the other day: "There were only two stores in the town, and the owner of one placed a sign in his window, 'We are 100 per cent American. We hate Germany; we hate England; we hate France; we hate Italy; and we hate Russia.' The competitor, not to be outdone, after he saw that sign and thought he would lose his trade, stuck up in his window a sign reading, 'We are 200 per cent American; we hate everybody.'"
