A minister who saw a man stagger out of the sea and collapse on the shore hastened to the swimmer to see if he could be of any assistance, but was surprised to see the bather rise to his feet and make for the water again. The charitable parson rushed forward to stop the obviously foolhardy swimmer, who, turning, said: "Sure, O'ne saved meself, and now O'm goin' back for Moike!"

A certain duke commissioned the artist, Whistler, to paint his wife and infant son. Whistler began the portrait, and after a while announced that no more sittings were required, and that the picture would be delivered shortly. But weeks, months and years passed. Finally, the duke met Whistler one afternoon, and asked for an explanation. "I find that one more sitting is necessary," said the artist. "If the duchess will bring the baby to my studio one day next week—"

"Oh, the duchess," interrupted the duke, "will be most happy to give you another sitting. The baby, however, is in the guards."

Chrysler "70" at Its New Lower Price— Unchanged in Performance and Quality

From every viewpoint the famous Chrysler "70," in no way changed except at seasonally lower prices, continues more than ever to be the car of the hour—the car you want and need.

With savings of \$50 to \$200, the Chrysler "70," at its new lower prices, is making even greater automobile history and establishing higher sales records than at any time since it was introduced two and a half years ago. During this period Chrysler "70" unapproached roadability and unfailing sturdiness have won the enthusiasm of more than a hundred thousand owners who have driven their cars thousands upon thousands of miles.

Fleet and agile, even to 70 miles and more an hour, with all the engineering and manufacturing fineness that such speed implies; Light and graceful in charming contrast to the unwieldy and the cumbersome; Long-lived, economical and compact with entirely new comfort development; Unchanged in every detail except in its new lower prices, Chrysler "70" continues, despite the flattery of imitation and emulation, to be the one really modern expression of motor car satisfaction.
