

THEY LOOK TO YOU!

Your neighbors, relatives and friends who have tuberculosis are asking you to vote "YES" for the new tuberculosis hospital. EASTERN OREGON has about 500 people with tuberculosis, and no hospital beds there for them. This fact hurts every community in Oregon by increasing the waiting list for the tuberculosis hospital at Salem. This hospital has had to refuse admittance to 350 patients in the last five years for lack of space. Those who did get in had to wait from one to four months. You can help to remedy this bad situation by going to the polls on November 2nd, and voting "YES" for the Eastern Oregon Tuberculosis Hospital.

THE EASTERN OREGON TUBERCULOSIS HOSPITAL ACT—
Purpose: To provide for the establishment, construction, equipment, maintenance and operation of a branch tuberculosis hospital at some point in the state of Oregon, east of the Cascade mountains to be selected by the governor, secretary of state and state treasurer, constituting the state board of control.

320 X Yes. I vote for the proposed law.

321 No. I vote against the proposed law.

MORE SCHOOL BUILDINGS PROPOSED

BOND REDUCTION POSSIBLE

As the taxpayers of our 18 grant land counties realize the great relief and how large is the sum coming to them through the enactment of the O. & C. Bill, they are planning new school buildings, and an increase and betterment in the teaching staff.

EIGHT MILLIONS of dollars turned loose in Oregon this fall is almost unbelievable, but this is a fact, thanks to the efforts of Robert N. Stanfield. In addition to this immediate cash payment, there is a tax reduction for all time of 25 per cent. One has only to ask any school director of these counties to realize to the full the wonderful relief from burdensome taxes the enactment of the O. & C. Bill has permitted. This tax relief was only possible by the holding of the Chairmanship of the Public Lands by Senator Stanfield. The further relief to be had through the Forest Reserve Lands can only be obtained by re-selecting Robert N. Stanfield as Senator for Oregon. Senator Stanfield proposes to apply this principle to the Forest Reserves, which will give every taxpayer in Oregon an additional reduction of from 25 per cent to 40 per cent. Or in other words will give Oregon an increased revenue of from 11 to 15 MILLIONS of dollars yearly, and for all time to come. With this substantial reduction in our taxes, and bonded indebtedness, we may look for the immediate coming of Eastern capital and population, and an increase in the value of our own property. This additional revenue could eventually permit the repeal of all automobile, road and gasoline tax.

You were denied knowledge of legislation proposed by Senator Stanfield, because the Morning Oregonian has and will sacrifice your best interests in order to seek its vengeance on anyone daring to oppose its own aggrandizement. The people of Oregon are a free people, owing their allegiance to their God, their country and themselves, and they will not submit to be ordered and dictated to by any selfish interest, no matter how powerful that interest or clique may be.

We who have been making homes in Oregon, establishing industries and payrolls, or working for wages, know how hard the struggle has been to make ends meet. There is only one hope for us, and that is relief from the excessive burden of taxation. Robert N. Stanfield, the present Republican Senator, whose advice and counsel is sought and respected by Senators and President Coolidge alike, has been the only representative Oregon ever had who has been able to actually reduce taxes. He is the only man who can continue to do so, as he and he alone can retain for Oregon the powerful Chairmanship of Public Lands.

Therefore, if you want to have the full benefit of reduction in taxation, and bring the full development of Oregon to pass within your lifetime, you must forget party or personal likes and whims and retain Senator Stanfield.

Oregon can suffer no greater disaster than the loss of Chairmanship of the Public Lands Committee. (Paid adv. by R. C. Taylor, Portland, Ore.)
