MANIAC IS RESPONSIBLE FOR DEATH OF FAMILY

TACOMA, Wash., March 10.—(U.P.)—Five persons are dead here this morning as the result of a domestic tragedy last night when Harold Jensen, carpenter, killed his wife and three children and then took poison himself.

The bodies of the wife and children were found badly mutilated, the slayer having used a hatchet and hammer for the deed. After the slaying, Jensen called the police station and then took poison. One explanation of the killing is that the man went insane.
