The Peerless Dentists

The Peerless Dentists, Dr. S. T. Donohue, associated with Dr. Dallas Loy, enjoy a reputation that has been won by quality of work at prices that make it possible for every person to have a sanitary mouth equipped to do the work for which nature intended it. When \$15 will buy a double suction plate with gold pin teeth, there is no need for anyone to go around with teeth missing or with an oral cavity in such condition that the health of the entire body is put in jeopardy. All work is done in the laboratory conducted in connection with the office, assuring prompt completion and perfect satisfaction in every detail. The offices of Dr. Donohue and Dr. Loy are at Seventh and Willamette, opposite the Heilig theater.

16 Best Reasons for Trading in Eugene

An advantage in purchasing as near home as possible is that the person, or firm, or industry from which you buy is located in or near your community, thereby making certain that any fault in merchandise or service purchased will be made good, of which the purchaser is by no means certain when he buys from some house in a distant city some item which has been found in a catalog.

Residents of Lane county who find it necessary to purchase something which can not be supplied at home will find that in purchasing in Eugene from those advertising in this page they are certain of quality merchandise and service because these advertisers are to all intents and purposes neighbors of every person in the county. A few miles in distance today are no more than were a few blocks a few years ago and those that years ago might have been total strangers may today be close friends. A county has become a single merchandising community, with purchases and sales made direct. The direct sales method means a personal touch and greater satisfaction, a friendly interest between seller and purchaser and ironing out of any errors or mistakes and elimination of any dissatisfaction.
