In Trim This Winter?

Watch The Kidneys After Winter's Colds.

COLDS and grip are hard on the kidneys. When the kidneys slow up, impurities remain in the blood and are apt to make one tired and achy with headaches, dizziness and often nagging backache. A common warning is scanty or burning secretions.

Doan's Pills, a stimulant diuretic, increase the secretion of the kidneys and aid in the elimination of waste impurities. Are endorsed by users everywhere. Ask your neighbor!
