Beatty-Kenfawer.

A wedding of interest was that of Pastor J. L. Beatty of this city and Mrs. Helen Kenfawer of San Diego, Cal., which was solemnized Wednesday night at the Presbyterian church following prayer meeting. Pastor Duncan P. Cameron read the service. Mrs. Clive Taylor was matron of honor and Pastor Clive Taylor was best man. A large number of friends attended. After the ceremony a charivari was held and the newlyweds were paraded through the city in automobiles. An informal reception at the home of Pastor and Mrs. Taylor followed and refreshments were served. The couple will make their home here for the present. The bride is an old time friend of Pastor Beatty. He is well known here and is superintendent of the Presbyterian Sunday school. Many years ago he was pastor of the local Methodist church.

An engagement of interest to the younger set of this city is that of Miss Elsie Sterling to Hugh Hammerly of Albany, which was announced Friday evening at a slumber party given by Miss Sterling at the home of Mrs. Adeline Mount. Miss Sterling is a daughter of Mr. and Mrs. Dave Sterling, who recently moved to Redmond, and Mr. Hammerly is connected with the distribution department of the Portland Oregonian. The marriage date has not been set but the wedding will be in June. The announcement was made at supper, favors of Oregonian mail boxes containing miniature Oregonians, which bore the news. Bridge was the diversion of the evening and Miss Laura Haldeman held high score and Miss Hilda Favor consolation. Guests included Miss Bernadine Schneider, Miss Beulah Saffley, Miss Dolly Piteher, Miss Haldeman, Miss Favor, Alverda Jones, Mildred Edwards, Rosalie Mason, Velma Madden and Miss Bonita Beuger.

The Research club met Tuesday afternoon in the city library and took up the study of the life of James Russell Lowell, with Mrs. Robert Quigley as program leader. Members responded to roll call with current events. Mrs. D. C. Bosley gave a report of the recent federation meeting in Eugene. Mrs. M. S. Power reported on the biography of James Russell Lowell and Mrs. A. L. Van Osdal gave a comparison of Lowell with his contemporaries. Other numbers on the program were: Reading of Lowell's "A Fable for the Critics," Mrs. F. E. Mendenhall; discussion of the Big low papers and reading of "The Courtin'," Mrs. D. C. Bosley, and discussion and reading in part of "The Vision of Sir Launfal," Mrs. Duncann P. Cameron.

The Tuesday Evening Study club met in the city library Tuesday evening. The organization voted to send a contribution for the scholarship loan fund of the federated clubs. The committee for guest night, which is to be held February 21, reported that all plans are perfected. A health survey is to be conducted by the local federated clubs as part of a project for national health work by all federated clubs. Mrs. Bert Trask and Mrs. C. E. Umphrey reviewed the book, "From Immigrant to Inventor," the fascinating story of Michael Pupin's life. He rose from a poor Serbian boy to a world renowned inventor.

Keeping in Style.

"You know, Bobby, you're not nearly so obedient as you used to be, I wonder why that is." "Well, mother, if you ask me, I think present-day fashions may have something to do with it."

Said the flapper, after she had introduced her new boy friend to her parents: "What side of the family do you think I take after?" "Well, you have your father's eyes, nose and mouth," the B. F. replied, "but you get your legs from your mother."

Fire Taken to Fire
Department

GLOBE, Ariz., Jan. 12.—(U. P.)—If a dog bites a man, that's not news, but if a man bites a dog, that is news.

Charles A. Dams, the newspaper sage, was the man who gave that advice to a young reporter, and the words have become famous.

Globe residents today are pondering over this one!

"If the fire department goes to put out a blaze, that's a fire but what is it when someone brings a fire to the fire house?"

Two garbage collectors on their rounds suddenly noticed their rubbish load on fire. They were unable to put it out so they drove the flaming vehicle on a mad dash to the fire station, where it was extinguished.

for Economical Transportation

Again

the Greatest Sensation of America's Greatest Industry

Again, Chevrolet has created an automobile so far beyond all expectations in the low-price field that it constitutes the greatest achievement of America's greatest industry.

Built on a 4-inch longer wheelbase—offering numerous improvements in performance, beauty and safety—the Bigger and Better Chevrolet marks a spectacular epoch in the development of luxurious transportation at low cost.

The engine is of improved valve-in-head design with alloy "invar strut" pistons . . . hydro-laminated camshaft gears . . . mushroom type valve tappets . . . AC oil filter . . . AC air cleaner and a new crankcase breathing system.

Throughout the entire car similar

advancements are represented—from the four-inch longer wheelbase and the new semi-elliptic shock absorber springs—84% of the wheelbase, to the marvelously beautiful new Fisher bodies in new Duco colors.

Come in and drive this great new car. Drive it through traffic—and get the thrill of its darting pick-up . . . the smooth, certain action of its non-locking four-wheel brakes! Drive it on the open road—and test every point in the speed range for smoothness and roadability! Try it on the hills—and learn the true meaning of Chevrolet power!

Do that—and you will agree with thousands of others that here is the world's most luxurious low-priced automobile.
