Don't Neglect Your Kidneys!

You Can't Be Well When Kidneys Act Sluggishly.

Do you find yourself running down—always tired, nervous and depressed? Are you stiff and aching, subject to nagging backache, drowsy headaches and dizzy spells? Are kidney excretions scanty, too frequent or burning in passage? Too often this indicates sluggish kidneys and shouldn't be neglected.

Doan's Pills, a stimulant diuretic, increase the secretion of the kidneys and thus aid in the elimination of waste impurities. Doan's are endorsed everywhere. Ask your neighbor.

50,000 Users Endorse Doan's:

C. W. Bagby, 203 17th St., Oregon City, Ore., says: "I know the value of Doan's Pills and am glad to recommend them. My kidneys troubled me quite a bit and I often had a weak and aching back that made it hard for me to stoop. My kidneys didn't act right, either. Doan's Pills soon put me in good shape, strengthening my back and kidneys."

Relief From Curse Of Constipation

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause."

But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, excreting bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderlie at night. Next day bright. Get 24 for 25¢ today at the nearest Rexall Drug store.—Adv.
