First Capital Prize—WHIPPET SIX SEDAN—Value \$962.00

The Whippet introduced the smart, compact bodies with fleet, low lines now so much in vogue. Long-lasting lacquer in harmonious duo-tones, is set off by colorful striping and the contrasting wheels. Full crown fenders, a graceful hood and radiator, wide windows and attractive upholstery lend further emphasis to the beauty of the car. The Sedan is a roomy four-door enclosed car for five passengers. The seats are wide and deeply cushioned. Entering or leaving the car through the wide doors there is generous leg room and head room and the seats are set at an angle permitting complete relaxation.
