

Do You Know?

- Laboratory tests show that Hoffman Valator Pressing kills disease-producing germs.
- Pressing by the Valator method, which I use, destroys common infectious disease germs, including those of pneumonia, tuberculosis and skin infections.
- Valator pressing completely destroys insect life.
- That the latest type Hoffman pressing machine is at your service at reasonable prices.
- That I press suits for Fifty cents—clean and press one dollar and twenty-five cents.
- That I do tailoring as you want it.
