Everything the Name Implies

MONTAG

COLONIAL Ranges

Colonial Cast Iron Range, full porcelain enamel in the new Mello-green, Canary-Yellow, Mando-Red, grey or Bantique; solid top or French plate cooking top; 18-inch porcelain enamel French oven bottom. As illustrated.

Reason enough for their popularity.

Here you will find ranges that combine finished craftsmanship, beauty and design, with fuel economy and cooking efficiency. A MONTAG Cast Range is the last word in stove construction. The French plate top; the large oven, equipped with the high speed porcupine fire back assures an unusually quick and even heat, thereby conserving fuel and giving better results.
