By supporting such movements as the Scouts and 4-H Clubs the newspaper helps boys and girls to constructive citizenship.

Making Boys and Girls Into Better Citizens

"Congratulations, Burt. I understand that your boy has been made leader of the Boy Scout Troop. I'll bet he's proud."

"He is. George Stone is going to put an article about him in the weekly. . . And speaking of the weekly, do you know it was mainly responsible for the Boy Scout movement in this town many years ago?"

"I am not surprised. The weekly has always been identified with every progressive movement that will make better citizens of our boys and girls. Right now, you know, they are arousing public interest in the projected municipal playground so that the youngsters need not play in the streets where they are in danger of automobiles."

"That is one of the biggest responsibilities and duties of the community newspaper—to be a leader in welfare work for the children of the town and country—and how well our weekly has lived up to this duty! There isn't a single commendable project that has come up that it hasn't taken the lead in endorsing. Playgrounds, a new high school, boy scouts, girl scouts, 4-H clubs—the weekly has worked tirelessly to keep folks awake to the needs of our future citizens!"

Quick Remedy.
The sting of a bee is said to be a sure cure for rheumatism. Also for inertia.

Relief From Curse Of Constipation
A Battle Creek physician says, "Constipation is responsible for more misery than any other cause." But immediate relief has been found. A tablet called Rexall Or-dieries has been discovered. This tablet attracts water from the system into the lazy dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose. Stop suffering from constipation. Chew a Rexall Ordierie at night. Next day bright. Get 25 for 25c to day at Kem's for Drugs.

We have never made an offer that means so much to our real customers—the mothers. Here is a most modern convenience that will save hundreds of hours,—hours that mean youth, freedom—and better cookery as well.

For thirty days we offer this modern Hotpoint Automatic Electric Range on terms so low that every mother can afford it.

OR A WESTINGHOUSE—perhaps you prefer the Junior Console Westinghouse Range. We offer that too so that no mother will be without electric cookery because of preference. The same terms apply to the Westinghouse.

Down payment brings the Hotpoint or Westinghouse into your home fully installed. The terms have been made doubly easy—just pay \$8 each month right with your light bill.

A CORONA ELECTRIC COOKER INCLUDED

For July only, we include with each purchase of a 3-plate Hotpoint or Westinghouse range a Corona Electric Cooker. It adds more than one plate to your range capacity. The Corona is really a portable oven. It bakes, stews, boils and browns food just to a turn. Hook it up on any light outlet. It uses no more heat than an electric iron. Take it with you on the picnic; it will retain heat for over six hours.
