THE BIBLE—GOD'S WORD.

God has used about forty men over a period of about two thousand years. At sundry times and diverse efforts these sixty-six books with an unerring providence, have come to us through a net work of spurious books—claiming to be God's word—but "without the smell of fire" but upon them.

Now let's turn to this Holy Book and let God, the author, speak. These books "Are built upon the foundation of the apostles and prophets, Jesus Christ being himself the chief corner stone." So they all stand or fall together—each speaks for the others "All Scripture is given by inspiration of God."

Faculty Play Scores Tremendous Success

"The Family Upstairs," a play, presented Tuesday night by members of the faculties of the grade and high schools, that kept the audience in gales of laughter with its uproarious comedy situations, scored a decided success and demonstrated that faculty members can act as well as teach. One of the largest audiences that has ever attended a school production in recent years loudly applauded the characterizations.

The receipts were more than \$300, over \$100 being taken in at the door Tuesday evening. The play was given to raise money for stage equipment and over \$200 will be available.

It is difficult to name the outstanding performers but Mrs. Ilma Thum, principal of the west side school, as Emma Heller, the mother, F. L. Grannis, principal of the high school, as Joe Heller, the father, Miss Werdna Isbell, high school teacher, as Annabelle, the 12-year-old daughter, and Wilbur Watkins, principal of the central grade school, as Willie Heller, the son, seemed to win the greatest approval of the audience. Other members of the cast, Miss Jessie Frazer, grade teacher, as Louise, older daughter of the Heller, W. S. Averill, Smith-Hughes instructor, as Charles Grant, Miss Virginia Hunt, music instructor, as Miss Callahan, Miss Doris Cohow, grade teacher, as the mother of Charles, and George Brown, west side school teacher, as Herbert Grant, were also convincing in their parts.

While the play lacked smoothness and finish in parts, these were not sufficient to detract from the whole, the players covering these defects with clever acting. As an amateur production it was a signal success. The play was coached by Rev. Duncan P. Cameron.

In the intermission between the first and second acts a pantomime, "A Wedding Without Words," was given by a group of faculty members. Selections from the operetta, "Sailor Maids," were given between the second and third acts by Madeleine Beidler, Elmer Allen and Ralph Boslaugh, accompanied by Evelyn Smith.

Happy Woman Tells How She Lost 19 Pounds of Fat in 27 Days

During October a woman in Montana wrote—"My first bottle of Kruschen Salts lasted almost 4 weeks and during that time I lost 19 pounds of fat—Kruschen is all you claim for it—I feel better than I have for years."

Here's the recipe that banishes fat and brings into blossom all the natural attractiveness that every woman possesses.

Every morning take one half teaspoonful of Kruschen Salts in a glass of hot water before breakfast.

Be sure and do this every morning for "It's the little daily dose that takes off the fat."—Don't miss a morning. The Kruschen habit means that every particle of poisonous waste matter and harmful acids and gases are expelled from the system.

At the same time the stomach, liver, kidneys and bowels are toned up and the pure, fresh blood containing Nature's six life-giving salts are carried to every organ, gland, nerve and fibre of the body and this is followed by "that Kruschen feeling" of energetic health and activity that is reflected in bright eyes, clear skin, cheerful vivacity and charming figure.

If you want to lose fat with speed get an 85c bottle of Kruschen Salts from Cottage Grove Pharmacy or any live druggist anywhere in America with the distinct understanding that you must be satisfied with results or money back.

I have sold my grocery store on west Main to the Ocumpaugh brothers and take this means of thanking my patrons for their business in the past. I feel sure that they will receive the same service and courteous treatment under the new management as they did with me.
