AN OBLIGING
BEAUTY DOCTOR

A Beauty Specialist Gives Home-
Made Recipe to Darken
Grey Hair.

Mrs. M. W. Gillespie, a well-
known beauty specialist of Kansas
City, recently gave out the follow-
ing statement regarding gray hair:
"Anyone can prepare a mixture
at home that will darken gray hair,
and make it glossy. To a half-pint
of water add 1 ounce of bay rum,
a small box of Barbo Compound
and ½ ounce of glycerine.

These ingredients can be pur-
chased at any drug store at very
little cost. Apply to the hair twice
a week until the desired shade is
obtained. This will make a gray-
haired person look twenty years
younger. It does not color the
scalp, is not sticky or greasy and
will not rub off."
