Noted Cowgirls Coming With Cole Bros. Show

One of the genuine novelties offered by the Cole Bros. circus this year is the performance of the noted cowgirls, champions of the west, who enact the historical scenes from the Cheyenne Frontier Exhibition. When the big show comes to Cottage Grove on Saturday, May 17, a real wild west show will be among the numbers.

When the parents of the present

generation were boys and girls they lived on the western plains a great body of cowboys, who acted as guardians over the large herds of cattle which roamed the trackless plains. There were heroines, too, who when the men folks fell beneath the arrows of the raiding Indians, assumed the responsibility of guarding their homes and their cattle and their exploits have made the history of the west.

Few of the original pioneers have survived. But those who have, love the traditions of the far west with an unparalleled devotion and have instructed their offspring in the arts of the pioneer days. Many of the pioneers are to be found with the Cole Bros. circus and also many of the younger generation who from the knees of their fathers have been taught the traditional heritage of the old west.

A dish is richer if whole rather than skim milk is used. But skim milk contains not only the protein but practically all the other nutrients of whole milk except the fat and vitamin A.

Relief From Curse Of Constipation

A Battle Creek physician says, "constipation is responsible for more misery than any other cause." But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderlie at night. Next day brighten the 24 for 25c to-day at the nearest Rexall Drug Store, Kem's for Drugs.

Miss Richmond is Praised.

(Eugene Guard.)
Miss Eva Richmond, daughter of Mrs. Alice Richmond, 228 Twelfth avenue east, Eugene, and remembered here in the role of "Sagajawa" in the Trail-to-Rail pageant "Klatawa," is given a lengthy write-up of praise in a recent number of the Columbus Dispatch, Columbus, O., for her work in directing the women's glee club of the college of Wooster.

"One of the most effective and incidentally one of the most graceful women directors we ever have beheld is Eva Richmond, teacher of voice in the conservatory of Wooster who was also responsible for the training of the national Atwater-Kent winner this year," says the review in part. "When she conducts—and she has never had a lesson, thank God, in the art of conducting—her hands are infallibly expressive of moods, even more so than Verbugghen's when he conducts his Minneapolis orchestra."

She seems rather to woo the music from her fingers than imperiously to direct," the review continues. Praise is given the glee club trained by Miss Richmond as being the best ever heard from an Ohio college.
