You Save in many ways when you buy a Ford

LOW first cost is just one advantage of buying a Ford. Of even greater importance is the saving in the cost of operation and up-keep. As the months and years roll by, this saving will total many dollars.

The economy of the Ford is due to its simplicity of design, high quality of materials, and accuracy in manufacturing. Every part has been made to endure—to serve you faithfully and well under all conditions for many thousands of miles.

Thousands of Ford owners will tell you of the economy and reliability of the new Ford. You find further convincing evidence of it in the increasing purchases by police departments and by large industrial companies which keep accurate cost figures. Hundreds of these companies use fifty, one hundred, and two hundred Ford cars and trucks. One large corporation uses eight thousand! Their experience is a dependable guide for you in the purchase of an automobile.

See the nearest Ford dealer and have him give you a demonstration ride in the new Ford. You will be particularly pleased with its easy-riding comfort, ease of control, alert speed and acceleration, and the safety of its fully enclosed four-wheel brakes. In addition, every new Ford brings you the added protection of a Triplex shatter-proof glass windshield.

CHEVROLET ANNOUNCES DE LUXE WIRE WHEELS at no extra cost

Chevrolet again adds extra value to the Chevrolet Six! Those who prefer may now have any passenger model equipped with beautiful de luxe wire wheels—at no additional cost!
