Relief From Curse Of Constipation

A Battle Creek physician says, "constipation is responsible for more misery than any other cause."

But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderlie at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store, Kem's for Drugs.

Give the Home Print Shop First Chance

Cottage Grove has one of the best equipped print shops on the coast, due to the loyalty of those in the home community. Comparatively few jobs of printing are sent out of Cottage Grove, but no job of printing should be sent elsewhere until the home print shop has had a chance to say that it is a job produced with some special kind of machinery or by some special process that makes it impossible for it to be handled by the home print shop. There is practically no job of printing used in the Cottage Grove territory that the local shop can't handle, and many users of printing have been astounded by the variety of work that can be produced here. Never give out a job of printing until the home print shop has had first chance.

Dickens Set Fashion

Some of Dickens' novels which appeared in serial form in an English magazine about the middle of the last century laid the foundation for the great popularity of the present-day serial story.
