

Have Faith In God

The righteous shall live by faith; and the law is not of faith. Gal. 3:1-14.

Belief comes of hearing, and hearing by the word of Christ. Rom. 10:8-17; John 17:20, 21.

That they may be perfected into one; that the world may know. John 17:22-23.

These (signs that Jesus did) are written, that you may believe—and have life. John 20:31.

Ask whatsoever you will and it shall be done, if you keep my commandments. John 15:7-10.

Let not our love be mere words, or end in talk, let it be true and show itself in acts. By that we shall know that we are on the side of truth and we shall satisfy ourselves in God's sight—if our conscience does not condemn us, then we approach God with confidence. 1 John 3:18-24.

AND UP

f. o. b. Toledo, O.

Under official A. A. A. supervision, a strictly stock Willlys Six Roadster sweeps dramatically to five amazing new speed records for American stock cars in its class—one mile, flying start, 50.925 seconds, average 70.692 miles an hour; standing start, 61.56 seconds, average 58.479 miles an hour; one kilo, flying start, 32.225 seconds, average 69.416 miles an hour; standing start, 42.17 seconds, average 53.045 miles an hour; one mile, flying start, second gear, 66.90 seconds, average 53.812 miles an hour. The gear ratio used in these record-breaking runs was 4.6 to 1.

These records continue the long string of remarkable performance achievements of the Willlys Six, which include winning first and second places in the annual mountain race from Mexico City to Puebla. Pitted against a field comprised mostly of eight-cylinder cars, the winning Willlys Six covered the course of 75.8 miles in 75 minutes. The record for the steep Mount Baldy climb is also held by a stock Willlys Six, which clipped 38-3/5 seconds off the former record. In the last Pike's Peak race two stock Willlys Six Roadsters won first and second places. The winning time of 24 minutes, 18-1/5 seconds is the fastest on record for a stock car under \$1000. These records are convincing evidence that the Willlys Six is the fastest, liveliest and most powerful of all low-priced cars.
