

RESOLUTIONS.

Resolutions of Rebekah Lodge on the death of Sister Clara Kent: Whereas the great and supreme Ruler of the universe has in his infinite wisdom removed from among us one of our best loved and most highly esteemed sisters, Clara Kent, and whereas, the long and intimate relation held with her in the faithful discharge of her duties in this lodge, makes it eminently befitting that we record our appreciation of her, therefore,

Resolved, that the wisdom and ability which she has exercised in the aid of our organization, by service, contributions, and counsel, will be held in grateful remembrance.

Resolved, That the sudden removal of such a life from among

our midst, leaves a vacancy and a shadow that will be deeply realized by all the members and friends of this organization, and will prove a serious loss to the community and the public.

Resolved, That with deep sympathy with the bereaved relatives of the deceased, we express our hope that even so great a loss to us all may be overruled for good by Him who doeth all things well.

Resolved, that a copy of these resolutions be spread upon the records of this organization, a copy printed in the local paper, and a copy forwarded to the bereaved family.

How One Woman Lost 102 Lbs. of Fat

Almost Unbelievable—
Nevertheless True

Dear Friends:

You advertise Kruschen Salts for reducing, so I finally tried them and when I started I weighed 219 pounds and when I took them for a year and 3 weeks, I lost exactly 102 pounds.

I am 23 years old and I look at least 5 years younger now than I did when I was fat. I have a picture of myself before and after so if you want to see them let me know.

I am always telling my friends about the wonderful salts. I am always advertising them.

I took 2 bottles every month for a year and 3 weeks. It amounted to \$25 for reducing 102 pounds but it was worth it.

If I can be of any help to you let me know.

Yours truly, Miss Nellie Simpson,
1903 Wayne Street, Swissvale, Pa.
Oct. 31, 1930.

The Modern Safe Way—
Right Way to Lose Fat

Just take a half teaspoonful of Kruschen Salts in a glass of hot water every morning before breakfast.

You can hasten the reducing action of Kruschen by going lighter on potatoes, pastry and fatty meats.

Unlike other Salts, Kruschen doesn't reduce by rushing food through your system. Rather it's an ideal blend of 6 separate mineral salts which help every gland, nerve and body organ to function properly.

Women everywhere are overjoyed with this marvelous reducing treatment. Frequently pound by pound of surplus fat leaves and soon you possess that trim, slender figure you've always craved.

An 85c bottle of Kruschen (lasts 4 weeks) is sold by leading druggists the world over—so start this SAFE method to lose ugly fat TODAY! Cottage Grove Pharmacy sells lots of it.

Money back Cash! Instantly!

If we could only manage, just once, to get a tin of Schilling Tea on your pantry shelf!

Thousands of tea drinkers know what you are missing but you can't be expected to know unless you try it. So here's our offer. Try a tin of Schilling tea (any size, any kind, Orange Pekoe or Japan). If you don't declare it the most fragrant tea you ever served, merely phone your grocer. He returns your money instantly. We pay him by mail. That is not an idle offer. It is printed on every Schilling tin. The round red vacuum tin. Tea in vacuum just like your coffee. It's the only way to keep tea fresh according to a test of the U. S. Government Tea Examiners. Fresh and fragrant as it left the Oriental tea gardens.
