**Nominate FREDERICK STEIWER FOR UNITED STATES SENATOR REPUBLICAN**

Continued Faithful Service for OREGON

PRIMARY, May 20th

Pd. Adv.—Steiber for Senator Club, Pacific Building, Portland, Oregon

**What Your Governor Says of COL. A. E. CLARK**

REPUBLICAN CANDIDATE FOR UNITED STATES SENATOR

STATE OF OREGON EXECUTIVE DEPARTMENT SALEM May 9th, 1932.

Hon. William G. Han, Hillsboro, Oregon.

My dear Mr. Han:

I have your letter of May 9th. In reply permit me to state that originally it was not my intention to participate in any way in the present senatorial campaign. However, in view of the fact that you state in your letter that the voters are being deceived and misled by published statements that the water power legislation proposed by Colonel A. E. Clark as my opponent for governor and in harmony with the platform on which the late George W. Joseph was nominated for governor and which I was afterward elected to the governorship, I feel that I can no longer remain silent.

These representations, of course, are utterly false.

Without recommendation by me as my inaugural message—the most comprehensive water power legislation ever enacted by any legislature in the United States—without recommendation and at his own expense Colonel Clark, at my request, accompanied me to Washington, D. C. last February to plead before the Senate the principal plank in the Joseph platform on which I was elected.

In addition to having been in full accord with my water power and utility legislation, Colonel Clark has also rendered valuable aid to me in connection with my economy and tax reduction programs which are the principles of my administration, and I am sure that you are in accord with the policies of my administration, and I am sure that you are in accord with the policies of my administration, and I am sure that you are in accord with the policies of my administration.

I am sure that you are in accord with the policies of my administration, and I am sure that you are in accord with the policies of my administration, and I am sure that you are in accord with the policies of my administration.

Very truly yours,

Julius A. Heinen  
Governor
