Early Entry Advised

HOW TO ENTER—WHAT TO DO.

The first thing to do is to clip the nomination coupon below, fill in your name and address, and mail or deliver to this newspaper at once. This coupon entitles you, or the person whom you wish to enter, to 5,000 free votes. These votes are given as a starter to speed you on your way to win. Only one such coupon will be accepted from each applicant.

The next step is to call or write the Campaign department for a free working outfit. Thus equipped you have but to see your friends and acquaintances and have them subscribe to this newspaper through you. That's all there is to it. However, you will never get anywhere unless you make the start—the earlier the better. Once started, let no one discourage you. Anything worth having is worth striving for. Seven short weeks and you may be several hundred dollars richer in purse.

EARLY START MEANS EASY FINISH.

The advantages of an early start are manifest. This campaign is of such short duration that immediate action is necessary for success. Orders taken during the early part of the campaign carry the maximum number of votes. Then, too, the first in the field will undoubtedly get the "cream" of votes and subscriptions, while those who put off entering until a later date will have to take what is left.

Don't lose valuable time "waiting to see what the other fellow is going to do" but pitch right in and show the "other fellow" how to do it.

You Collect Is Yours**

Do not confuse this campaign with the old time contest — In this campaign **Everyone Gets Paid Every Saturday.**

Any person of good character residing in Cottage Grove trade territory is eligible to enter and compete for a prize. Nominations may be made at any time during the campaign up to December 7 inclusive.

Any ballot issued may be held in reserve and cast at the discretion of the candidate.

No paid employee of this newspaper will be permitted to enter the campaign.

No assertion, statement or promise, either written or verbal, by candidates other than as outlined in this announcement will be recognized by the publisher or the campaign department.

Votes are not transferable. Candidates cannot withdraw in favor of another candidate. Should a candidate withdraw from the contest, then his or her votes will be canceled.

Any collusion on the part of the candidates to nullify competition or any other combination arrangement of effort detrimental to other candidates, will not be tolerated by this newspaper. Any candidate taking part or entering into such an agreement will forfeit all right to prize or commission.

It is distinctly understood that candidates will be responsible for all moneys collected and that they will remit such amounts in full at frequent intervals or on demand, to the campaign department.

There will be a cash commission given to all candidates who do not win a prize, but it is distinctly understood that in the event any candidate becomes **INACTIVE** by failing to make a cash report at least once each week, he or she will, at the discretion of the management, become disqualified and therefore forfeit all right to a prize or commission.

This newspaper reserves the right to amend or to add to the prize list, and amend the rules of this campaign if necessary for the protection of both the candidates and this newspaper.

This newspaper guarantees fair and impartial treatment to all candidates, but should any question arise, the decision of the management will be conclusive and final.

In the event of a tie for any of the prizes, a prize identical will be given each of the tying contestants.

It is agreed and understood that winners of the major awards will accept their weekly pay checks as payment on the major awards and such payments will be deducted from the amount of their major awards.
