Woman Lost 20 Pounds In 4 Weeks

Mrs. Mae West of St. Louis, Mo., writes: "I'm only 23 yrs. old and weighed 140 lbs. until taking one box of your Kruschen Salts just 4 weeks ago. I now weigh 120 lbs. I also have more energy and further more I've never had a hungry moment.

Fat folks should take one half teaspoonful of Kruschen Salts in glass of hot water in the morning before breakfast—it's the safe, harmless way to reduce as tens of thousands of men and women know. For your health's sake ask for and get Kruschen at Cottage Grove Pharmacy—the cost for a bottle that lasts a week is but a trifle and if after the first bottle you are not joyfully satisfied with results—money back.

Fish Not Immune to Cold

Fish, like other, cold-blooded animals, including reptiles and amphibians, are poikilothermic; that is, their body temperatures are directly influenced by the temperature of the surrounding medium. Consequently, they can be subjected to very low temperatures and still survive. However, if a fish were placed in ice for a sufficient length of time, it could undoubtedly be frozen to death.

Accidents in Home

More people in the United States were slain accidentally in their own homes than had lost their lives on the streets or in the waters or throughout all industry, according to a statistician mulling over data of a few years ago. At the present time, home accidents are second only to those of automobiles. Curtis Billings writes in Hygeia Magazine about "Accidents in the Home."

Famous Only for Diary

Samuel Pepps, famous diarist, lived from 1633 to 1703, in London. He occupied a position similar to that of secretary of the navy in the United States. Except for the diary, in six volumes of shorthand, published after his death, he wrote only one work—"Memoirs of the Royal Navy."

In Defense of Bosie

We plead for the cow. She's a beautiful animal—with a soul, if eyes mean anything. Most important of all, she is a fundamental of life. Yet, alas, the cartoonists allow her disrespectfully, with caricatures little short of libel.—Toledo Blade.
