Meerschaum is obtained in various places, but the best quality comes from Asia Minor. All the pits are exhausted but 250, which are worked by some 900 miners who live there. The mineral is mined in blocks—it is then cleaned, the operation consisting of scraping and cutting the blocks with a sharp instrument or knife. The blocks are then classed as to size and quality. It is then sent to the pipe manufacturers. Most of it is sent to Vienna.

Tells How She Took

4 Ins. Off Hips
7 Ins. Off Waist

In 40 days by taking Kruschen Suits, Mrs. Helga Blough of New York City reduced 36 lbs.—took 4 inches off hips, 3 inches off bust and 7 1/2 inches off waist. She writes: "I haven't gone hungry a moment—I feel fine and look 10 yrs. younger."

To get rid of double chins, bulging hips, ugly rolls of fat on waist and upper arms SAFELY and without discomfort—at the same time build up glorious health and acquire a clear, bright, energetic and vivaciousness—to look younger and feel it—take a half teaspoonful of Kruschen Suits in a glass of hot water every morning before breakfast.

One jar lasts 4 weeks and costs but a trifle at Cottage Grove Pharmacy. Make sure you get Kruschen because it's SAFE. Money back if not joyfully satisfied.
