**Spanish Dismantle**  
The diminutive "Nita" is a contraction of Juanita, the Spanish feminine of Juan—in English John.

## HERE'S ONE GOOD WAY TO END AGONY OF NEURITIS

Newark Man Knows How and Loses 10 Pounds

"Gentlemen: I used Kruschen Salts to try and get rid of Neuritis from which I had suffered for one year in my left shoulder and arm. I took a little of the salts in the morning, sometimes in my coffee, other times in water. I would occasionally take a dose in water at night before retiring. For 3 months I used the salts and while I lost 10 pounds in weight, the pain in my shoulder HAS ENTIRELY DISAPPEARED. During the time I was taking the salts I received no other medical treatment so I am fully convinced the Kruschen Salts did the trick." C. K. Murray, Newark, N. J.

Take one half teaspoonful of Kruschen Salts in a glass of hot water every morning—a jar lasts 4 weeks—get it at Cottage Grove Pharmacy. Costs but a trifle. 4
