THE
ST
THING I'M
GOING TO BUY—IS A
MAYTAG

"With prices going up I want
to buy a lot of things. But not
another thing till I get a Maytag.
Because with a Maytag, I can
save money to buy other things."

• That's sensible buying. Be-
cause it is buying quality you
can use—quality that pays a
weekly return on your money.
• The Maytag washes clothes
faster, washes them more thor-
oughly, more gently and at
lower cost per washing because
it is a better designed, better
built washer. • Select your
Maytag at today's low prices.

**TO READERS OF
NEIGHBORHOOD NEWS**

It is the wish of The Sentinel,
so far as physically and finan-
cially possible, to give readers of
Neighborhood News all the
items of their neighborhoods
that they wish to see in their
community items. However, the
old idea of getting a person's
name in the paper regardless of
whether the item had any inter-
est to any other person was
long ago abandoned by The
Sentinel, as well as by practi-
cally all other newspapers. The
expense of publication is such
that The Sentinel wishes to
hold Neighborhood News down
to items that readers really
feel should be there and it is
adopting, so far as practicable,
the same rules for Neighbor-
hood News that apply to Cot-
tage Grove news.

As examples: A trip to Eu-
gene by one living in Cottage
Grove is no longer of sufficient
importance to warrant a news
item unless the trip develops
something of reader interest,
such as a visit with some fam-
ily known here, attendance at
some meeting, or something of
that kind. There is no news
value in the trip itself, for the
reason that the same persons
make frequent trips to Eugene
and Neighborhood News readers
will find that such items do
not appear in the Cottage
Grove items.

Dick Dickinson and two sons of
Eugene, the Murray Newton fam-
ily and Mr. and Mrs. J. T. Small.
Glen Banton has purchased a
Ford coach.

W. L. Townsend returned Tues-
day from spending several days in
Eugene visiting relatives.
