Or, better still, bring your parents and friends into our office with you so they can see and examine the prizes. It is hard to give a word picture of prizes of this quality and nature. They must be seen to be fully appreciated.

Please help us, candidates, by getting correctly the full name, initials and addresses of each subscriber who pays you.

Don't fail to see each and every person who promised you a subscription for Friday or Saturday.

Unless the Cottage Grove entrants do their utmost they are going to see the Grand Capital Prize carried off by one of the country entrants. The out-of-town list includes some fine workers and excellent subscription producers.

A NEW subscription to get NEW votes, must be from an entirely NEW subscriber. Just changing the name from one member of the family to another does not make a subscription new. Please cooperate with us by marking your subscription correctly.

If your name appears in the list of candidates as published today, you are considered an active candidate and eligible to share in the list of prizes if you only report this Saturday and Wednesday and Saturday of next week, with at least two subscriptions each time.

Perseverance is what will win for you. After you have secured every subscription you think you can, go out and get another, and another. That one more may put you over as winner of the Grand Capital Prize.

Some have threatened it, but so far no one has done it. That is to cover the city thoroughly going up one street and down another, calling at every house. You will be surprised at the good results you will secure by doing this.

Campaign Notes
The \$10 cash prize announced today is the second \$10 cash prize offered. This second \$10 prize is for both new and old subscriptions—the first \$10 prize (which ended last night) was for new subscriptions only. Be sure you understand this new offer thoroughly—get full details from the campaign manager.

Study the table showing "how second payments count" printed on this page. Many people who paid only a year or two earlier in the campaign will take advantage of the full three-year limit at the special price if you explain it to them. If this table is not perfectly clear to you, ask the campaign manager for further information.

A subscription to The Cottage Grove Sentinel is an INVESTMENT and NOT AN EXPENSE. The careful buyer will save several times the small subscription price from the ads alone.
