JUNE 15

After that date it will not be possible for us to sell this
range at less than its regular selling price of \$165.
This is the most remarkable value in a high grade
electric range that will probably ever come your way.
This extraordinary offer is only possible because
these ranges were contracted for with the factory last
fall. These ranges purchased at today's prices will
have to be sold at \$165. A very fine range at a price
so far below its regular selling price today that this
is the outstanding bargain of the year.
