

1935 Red Cross Poster

THE compelling appeal of the most famous of Red Cross world war posters has been adapted by the distinguished artist Lawrence Wilbur in the 1935 Red Cross roll call poster.

"The Greatest Mother in the World" was the title given to the original creation of Alonzo Earl Foringer, eminent mural artist and illustrator of New York. The poster gave the keynote of the Second war fund drive of the Red Cross, and millions of copies were distributed throughout the nation.

In submitting a design for the 1935 poster, Wilbur, who has painted a number of posters for the Red Cross, placed the shadowy, heroic figure of mercy in the background, with the practical Red Cross nurse succoring a sick and wounded child in the foreground. "Still the Greatest Mother" is his title.

The posters are distributed through 3,700 Red Cross chapters and 9,000 branches in an appeal to every man and woman to join as a member during the annual roll call.
