

Geyser Forms Giant Mushroom

AN UNUSUAL PHOTOGRAPH of the world famous Old Faithful Geyser in Yellowstone National Park. With clock-like regularity Old Faithful spouts a mighty stream of boiling water 120 feet into the air, preceding this performance with a growling, rumbling, hissing prologue. The capriciousness of wind and clouds sometimes forms unique pictures in combination with the mighty water surber.

A NEW STANDARD OIL PRODUCT

RPM

MOTOR OIL unsurpassed

To safeguard the Automotive Industry's new Super R.P.M. Motor Car Values, Standard Oil Company of California presents RPM Motor Oil Unsurpassed

*Revolutions Per Minute

THIS fine new oil was bound to come! We want you to try it. We've called it "R P M"—because it is the motor-oil answer to all the new lubrication problems created by Super R. P. M. (Revolutions per Minute) in the newest cars.

— Before We Mention Price!

Imagine assembling in one oil the finest characteristics found in a study of 146 varieties of crude oils from all over the world.

That is what happened. And so "R P M"—a truly luxury product—brings to you all these virtues: complete protection, clean engine, high mileage, quick starting, low carbon formation.

What the New Car Demands
The thrilling improvements in new-car performance have caused the whole Petroleum Industry to study the new necessities for fine lubrication. Increased Revolutions per Minute, increased temperatures, increased bearing pressures—finer clearances, quicker starting—and a dozen other major problems are solved only by producing a remarkably fine oil, such as "R P M"—and every car owner gets the benefit.

You Save Money Besides

R P M Motor Oil is the companion product to the Automotive Industry's magnificent accomplishment in providing super motor car performance for less cost per horsepower.

Made by a new refining process, it passes along to you every economy in manufacture.

No motor oil at any price can give you more and better lubrication.
