KELLY DRUG CO.

Republican Candidate for Representative Fourteenth Representative District Comprising Lane County

Most voters, as a rule, want to know all about a candidate.

It is impossible for me to meet each voter personally. I am, therefore, taking this method of getting by message to a large number of voters.

If you think kindly of my qualifications and my slogan, I want your vote. I also want you to use your influence with your friends in my behalf.

I was born in Iola, Wisconsin, February 9, 1879.

WILLIAM H. DALE
Member of Methodist church (South).

I received my education in the public schools of that State, the University of Wisconsin, the University of Chicago, and Rush Medical College.

I am married and have one child.

I was admitted to the practice of medicine in Illinois in 1904. I have lived in Oregon for the past thirty years and I have lived in Lane County for fifteen years.

I am a member of the American Medical Association, the Central Willamette, Lane and State Medical Societies, the Eugene Chamber of Commerce, the Kiwanis, Elks, Eagles, Masons, I.O.O.F.

I was formerly a member of the State Board of Health.

I have been a property owner in the State for many years and during that time have made a thorough study of tax problems.

Because of my ownership and operation of farm properties over a period of years I feel that I have a thorough knowledge of the problems facing the farmer today.

I favor the supporting and upbuilding of our public school system and our system of higher education.

I have administered to old people for so many years that I realize that some form of old age pension is very necessary and I will favor any system that is in keeping with our American standard of living.

If nominated and elected I will serve the people to the best of my ability—honestly and fearlessly, and
