Group Attends Musical in Salem

Mrs. James P. Graham, Mrs. Nancy Oglesby, Mrs. C. J. Kem and Mrs. W. H. Daugherty attended to Salem Wednesday to attend a concert that evening sponsored by the Philharmonic orchestra of Portland at the Clifford Brown home. Guest artists were Blair Stewart and his wife, Betty Dando, both soloists with the Chicago Grand Opera company, who are spending their vacation at the home of Mr. Stewart's parents in Salem. Mr. Stewart is a cousin of Mrs. Graham's and has visited here at different times. He has appeared informally in concerts at the Graham home when he charmed his audiences with vocal selections. Mrs. Graham expects Mr. and Mrs. Stewart to be her guests week after next.

Club Picnic in Eugene Park

The Friendly club held a picnic Wednesday of last week at Skippers butte park in Eugene. Following a picnic dinner the afternoon was spent socially. A feature of entertainment were original rhymes written by members descriptive of other members. Special guests were Mrs. William Fillmore of Benton City, Wash., house guest of a cousin, Mrs. N. E. Compton, and Mrs. Hill. The club will meet August 18 with Mrs. M. Werts at her country home.

RADIO RAY Has This to Say:

Howdy Folks! One of our customers was saying that the New Deal would never be a success until it passed a law making it a crime for stocks to go any place but up. . . . There are three kinds of mules; the old gray, the white, and the one your wife married. . . . But there's only one quality to be had in our Norge Refrigerator and that's the highest. . . . The dog, says a dog lover, often fills an aching void. That's especially true of the hot dog. . . . My idea of a sucker is a guy who will stand and play his nickles into a marble machine when I want to play mine. . . . Here is a buy that will save you some nickles. . . . Hot Plates, Sandwich Grills, Toasters, all at \$1.29. . . . And to paraphrase an old saying, "a man is usually as oiled as he reels." . . . A woman's face is her fortune only when it draws a lot of interest. . . . We wonder—Why there isn't a swimming pool in town?

Joint Picnic in Metcalf Grove

The American Legion and auxiliary held a joint picnic Monday evening in the picnic grove on the Harry Metcalf place. About 50 were present. Following supper separate meetings were held. Department convention plans were discussed by both groups. The Legion made plans for installation of officers to be held the first meeting in September.

Whoppers

(If you know a whopper send it in. "A laugh is worth a hundred groans in any market.") Three men were looking over the logging camp near Fairview on a recent evening, and were being shown around by a native Oregonian. He began to tell them of the forestry tower on blue ridge. "You can see California, Nevada, Washington, Canada, and Why, you can even see Japan on a clear day!"

The Californians stopped him. They refused to swallow it after he left Canada. One of them, in turn turned on his steam, and said that he supposed you could even see the Equator from there. "The Equator!" the Oregonian retorted, not to be caught up short. "Oh, no, you can't see the Equator; it's an imaginary line!"

Benton-Lane to Play Locals Here

Dropped from first to third place in the last half Cascade league race by virtue of their 13-1 defeat at the hands of Hills Creek, the local nine will tangle at Kelly Field Sunday with Benton-Lane, with the hope of a three way tie for first place.

As the schedule stands today, Springfield and Hills Creek, each with one defeat, are tied for first place. Cottage Grove has lost two, and will go into a tie for first place if Springfield defeats Hills Creek one out of the two games they must play.

Swimmers Delight was anything but a source of delight for local fans, who saw the home team go down in defeat there Sunday. The usual Hills Creek luck was much in evidence in the first few innings, when line drives fell into Hills Creek hands consistently. The locals then proceeded to blow-up, and a flock of errors scored nearly every run.

Johnson and Riley divided the mound duty for the locals, and Price hurled for the winners.

The game Sunday will see a strong Benton-Lane team, reinforced with Legion stars, in action against the Grovers.

Arctic Climatic Changes

The evidence that climatic conditions have changed in the Arctic and Antarctic zones is mainly geological. It is believed that tropical conditions existed as far north as Greenland between the glacial epochs. Remains of animal and vegetable life have been found in these regions which indicate that once the climate was warm enough to permit of their growth and existence.

Female Spider the Spinner

As a general rule, it is the female spider that spins the web; only rarely do male spiders spin webs.

Hiss Does Not Echo

The only sound that does not echo, even under the most favorable conditions, is the hiss.—Collier's Weekly.
