Elbert Bede returned this afternoon, Thursday, from a business trip to Oakland and San Francisco, California.

Sentinel Wantads offer you real advertising value. 100% coverage. The Sentinel.

Great Dane, Boarhound
 The fact that the Great Dane was called the boarhound gives a clue to its early use in Europe. It is generally conceded that this big dog was at one time employed to hunt wild boars, wolves and bears. The breed survived the longest in Germany because there wild game was preserved after it had disappeared from the forests of England. And after the Danes were no longer used for hunting purposes German royalty kept Danes as companion dogs.

HEBRON
 Mr. and Mrs. Lawrence Waffle and family and Mr. and Mrs. Clifford Eltahire and family of Phillips, So. Dak. arrived last week from the drought stricken region and will make Oregon their home. They obtained work with the Woodard Lumber Co.
