"TO MAKE A LONG TALE SHORT"

An undertaker started business in a Scotch community, and to start the ball rolling he advertised, "The First Funeral Free!" That same day three Scotchmen committed suicide. It's financial suicide to believe that all used cars are good ones—they're like eggs, good ones and bad ones; but when we tell you that one of our used cars is so-and-so, you can bet your bottom dollar that it is so.

Earliest Social Club Has Anniversary

The Social Twelve club, which has the distinction of being the first social club organized in Cottage Grove, celebrated their 26th anniversary Thursday of last week with a no-hostess luncheon at the home of Mrs. N. E. Compton. A large birthday cake with a dainty mound of spring violets in the center formed an attractive centerpiece for the table. An early day picture of the club was exhibited and an original poem of club activities twenty years ago was read by Mrs. Compton, a charter member. Mrs. John Medley, now of Eugene, the late Mrs. H. A. Miller, Mrs. F. D. Wheeler of Los Angeles, and Mrs. George Hall of Pasadena, all residents here at one time, met one afternoon and agreed to each ask two women to help organize a club. Twelve women joined together to form the charter. Mrs. Herbert Eakin and Mrs. Compton are the only charter members in the club at the present time.

Officers elected for the ensuing year follow: Mrs. H. B. Ferrin, president; Mrs. James A. Smith, vice president; Mrs. William Petersen, secretary. Mrs. Petersen, retiring president, presented each member with a gift. The club will meet next with Mrs. Bessie Sutcliffe.

Lane Red Cross Thanks Cottage Grove Citizens

Eugene, Oregon, March 16, 1937
Judge Goddard,
Cottage Grove Sentinel,
Cottage Grove, Oregon
Dear Mr. Goddard:

On behalf of the people of the flood stricken areas of the Ohio and Mississippi valleys the Lane County Chapter of the American Red Cross wishes to ask you to convey to the people of Cottage Grove and neighboring communities its thanks for the liberal way in which you have responded to the great need. We not only wish to express our thanks but also want to assure you that every cent collected was used for the flood sufferers.

Up to this date the people of Lane county have contributed

about \$4,600. It makes the officers of the Lane County Chapter proud to represent people who respond so liberally to need. It makes us feel that our task of financing your American Red Cross for another year will be much simplified. The fact that the Red Cross Chapter is in action all the year round makes it possible for it to respond quickly in time of disaster.

Again we thank you for your wonderful support.

Sincerely yours,
CLARENCE V. SIMON
