## High School Notes

Commencement exercises will be held at the armory Wednesday night, June 3 for about 72 graduates. Dr. Bruce Baxter, president of Willamette University, will give the address. Four student speakers, Lee Baldwin, Mildred Cellers, Evalyn Kirchhofer and Allan Ferrin, will talk on the theme, "Youth Faces the World." The student speakers were chosen by the class of '37 and a faculty committee. Special music will be furnished by high school orchestra, glee clubs and special groups.

Baccalaureate service will be held Sunday evening, May 30, in the gymnasium. Reverend Coulter of the Christian church will give the address. Special music will be furnished by the Carolers and Balladeers.

Class day exercises will be held in the high school auditorium about May 27.

The senior class is publishing the last edition of the C. G. Newsette May 27 under the name of "Senior Newsette" a 14- or 16-page paper. The Senior Newsette will contain all records of commencement and class day activities, including the class will, class history, class poem, class roll. The Newsette will include the news up-to-date and a senior feature page. It will be published at 5 cents per copy and will be distributed immediately after the class day assembly. This issue is not included in subscriptions to the C. G. Newsette, and owing to the cost of production only enough papers will be published to fill advance orders. Give your orders to Ila Corby or Evalyn Kirchhofer.

It wasn't a sit-down strike—it wasn't just an ordinary strike—but it was a sneak-out strike when early on a certain Thursday morn some 70 seniors piled into cars and away they did go—off to Belknap Springs, the senior's "skipping" grounds.

The clothing classes are exhibiting their class projects in the display case in the upper hall.

The foods classes are serving dinners and luncheons in groups of four beginning this week. Each group is allowed one guest. The purpose of this is to obtain more experience in preparing and serving family size meals.

This week the seniors voted to have coral and green for their class colors and the coral sweet pea for the class flower.

Miss Marian Notvedt and the Girls' League council wish to express their appreciation of the wonderful cooperation given by all the students and faculty members in making the May festival a success.

**Track Team Placed in Meet.**  
Cottage Grove's small track team placed fifth in the annual Willamette valley track meet held in Eugene May 8. Salem high won the meet with 51 points and ran off with the relay cup and the winner's cup. Cottage Grove registered 15 points for fifth place with V. Guggisberg first in the javelin; Tracy first in high jump and third in the pole vault; J. Guggisberg fourth in the mile; Ten Scott third in the 880.

There are two kinds of discontent in the world—the discontent that works and the discontent that wrings its hands. The first gets what it wants, and the second loses what it has. There's no cure for the first but success, and there's no cure at all for the second.—George Horace Lorimer.
