FILL THE TANK ONCE and drive all day!

FORD "60" OWNERS REPORT

22-27 MILES PER GALLON

The 60-horsepower Ford V-8 is writing remarkable mileage records on American roads. Private owners and fleet operators alike report averages of from 22 to 27 miles on a gallon of gasoline.

You can fill the tank of your Ford "60" and drive all day—300 to 400 miles—without stopping again for fuel. Besides costing less to run than any Ford car ever built, it sells at the lowest Ford price in years. That's double economy!

The "60" delivers V-8 smoothness and quiet at speeds up to 70 miles an hour. It is built into the same roomy body as the famous "85"—with the same modern features of comfort and dependability that make the 1937 Ford V-8 unquestionably THE QUALITY CAR IN THE LOW-PRICE FIELD.

Ford V-8 "60"

FORD V-8 PRICES BEGIN AT \$529 at Dearborn Factory. Transportation charges, State and Federal taxes extra

This price is for the 60-horsepower Coupe, illustrated above, equipped with front and rear bumpers, spare tire, horn, windshield wiper, sun visor, glove compartment, and ash tray.

\$25 A MONTH, after usual down-payment, buys any model 1937 Ford V-8 Car—from any Ford dealer—anywhere in the United States. Ask your Ford dealer about the easy payment plans of the Universal Credit Company.
